OFFICE OF THE CITY MUNICIPAL COUNCIL,

Bangalore City, Dated....11th....May.....1925.

From

M. G. KRISHNASAMI RAO., Esq., B.A.,
MUNICIPAL COMMISSIONER, MUNICIPAL COUNCIL,
BANGALORE CITY.

GENERAL & REVENUE SECRETARIAT. 116. MAY 1925 LOCAL SELF GOVT. BRANCH

GEN. REV. SECTT. Bg. 15. MAY 1925.

To

B. Nagappa, Esq., Bar-at-Law.,
Secretary to the Government of
His Highness the Maharaja of Mysore,
Local and Legislative Departments,
Bangalore.

Sir, mr 76-24-28

I have the honor to forward herewith, for sanction of Government, a copy of the resolution of the Municipal Council, passed at its meeting held on the 11th March 1925, approving of the exchange of site No. 439, in the Visweswarapuram Extension with that of a site belonging to Mr. Sampangi Ramaiya in the Sampige Avenue Road, Malleswaram, together with a copy of the resolution of the City Improvement Committee dated 22-1-25, recommending the exchange of the sites.

2. The site of Mr. Sampangi Ramaiya is situated immediately to the north of the Eswara Temple in Malleswaram. This site would seem to have been originally reserved for continuing the 15th -- Cross Road of the Malleswaram Extension. In December 1922, on the recommendation of the City Improvement Committee, the said site was granted to Mr. Sampangi Ramaiya, in exchange for another site which he formerly owned in the same Extension, as it was -- thought that the continuation of the said Cross Road would not be possible owing to its steep gradient, after recovering from him some value, as the site adjoining the temple was a little longer in extent than the other.

3. In November last, when Mr. Sampangi Ramaiya had raised a structure up to the basement on his site adjoining the said

temple

temple, under a license duly granted by this Office, the residents of the Malleswaram Extension came with a representation that Mr. Sampangi Ramaiya should not be permitted to build on his site and that the said cross road should be continued over the site to enable the procession of the God of the temple being taken round it. Upon this representation, the City Improvement Committee inspected the spot on 22-1-1925 and recommended, that in view of the expenditure he had incurred in laying the foundation and basement and of advances made by him for materials and labour and in consideration of the fact that he agreed to surrender his site in Malleswaram to the Municipality, site No. 439 in the Visweswarapuram Extension measuring a little more than his site, (Site No. 439 - 787 Sq. Yds; Site adjoining -- Temple - 666.66 Sq. Yds) may be granted to him in exchange, on the execution of the necessary documents. The Municipal Council have after due consideration approved of the exchange recommended by the City Improvement Committee.

4. I request that you will be so good as to accord very early sanction to the resolution of the Municipal Council.

I have the honour to be,

Sir,

Your most obedient servant,

Municipal Commissioner.

Forwarded with compliments,

Honorary President.
